

Nutri-Body® Solutions:

Let Your Body Tell You What You Need

a Quarter Century of Delivering Results

Your Clients Deserve the Very Best

If you are not using our Nutri-Body® Online Analysis, you may be overlooking your clients' most important needs. The same symptoms in different people can have very different causes. And if the cause isn't corrected, the problem will persist.

Nutri-Body® Online Analysis

Based on the works of David Rowland, The Nutri-Body® Online Analysis analyzes 65 nutrient categories from the Nutri-Body® Questionnaire, as explained in David Rowland's manual, *Assessing Biochemical Individuality*.

Nutri-Body Online Analysis ...

- Most effective tool of its kind
- Measures biochemical individuality
- More reliable than lab tests (for nutrients)
- Pinpoints and prioritizes weaknesses
- Makes recommendations unique to each client
- Monitor's each client's progress
- Analyzes Nutri-Body® questionnaires

Your Computer Will Print Out

- Colour graph prioritizing weaknesses
- Items of concern – prioritized
- Items to watch – prioritized
- Explanations of each weakness
- Dietary guidelines
- Supplement recommendations

Nutri-Body® Online Analysis enables you to increase efficiency within your organization and better serve your clients. You can purchase the Nutri-Body® Online Analysis package for \$88.00. You may also qualify for our upgrade; please contact us to learn more.
